

SALT LAKE COUNTY SHERIFF CITIZEN'S ADVISORY BOARD

SEEKING MEMBERS

CITIZEN'S ADVISORY BOARD

The Citizen's Advisory Board (CAB) is an extension of community policing, allowing the public accessibility to the workings of the Sheriff's Office. A group of citizens selected from throughout the county reviews problems, policies, and issues affecting the communities. They make recommendations to the Sheriff based on their analyses and act as a communication liaison with county residents. The Board is an advisory, rather than review board, being involved in the decision-making process. The Board can and does request to look at any Sheriff's Office issues and makes recommendations to the Sheriff, thereby giving citizens a voice in all aspects of county government law enforcement. The Sheriff will ask the CAB to review issues and situations that arise and to provide input and recommendations. Board members participate as liaisons between the CAB and various Divisions within the Sheriff's Department, developing policies and reviewing operations from a closer vantage point.

Meetings are held the first Wednesday of each month and training is held on Saturday (9 am to 12 pm) following the Wednesday's meeting.

Members must live within Salt Lake County and be 18 years of age or older.

Candidates will undergo a background investigation and must complete an interview process.

Currently there are three (3) openings.
